

Regarding: *Entertainment for your event*

Dear Client,

Thank you for considering Party Music in the planning of your event.

Our aim at Party Music is to work with you towards an enjoyable and successful experience. We hope to accomplish this by supplying you a high quality service not only at your event, but also through the entire planning process.

During our 25+ years of supplying many high quality and experienced Djs to the entertainment industry we have found that most clients prefer an experience that is as simple and as non-time consuming as possible. For that reason we have supplied you a selection of easy to read and use options in this pack. If by chance you wish us to supply you more information and detail than is included in this pack please do not hesitate to contact us and we will send you all the information and detail you need.

Included in this pack is information that will assist us in ensuring your event runs smoothly and that you receive the entertainment experience you expected. We understand that planning your event involves many details, many of which are far more important than worrying about your Dj. Below we have listed a summary of what is included in this pack with a rating against each form for you to use. The list and ratings will help you in identifying which details are essential in helping us ensure everything runs smoothly with your Dj, and which details are helpful (but not essential), so fill in the helpful forms only if you have time.

Included in this pack:

* Party Music Dj's number one priority is to play YOUR choice of music! Making selections from our music list will assist the Dj at your event, but please do not feel pressured to select hundred of songs or plan every musical minute for the whole event, unless you want to. Your Dj will be trained and experienced in communicating with you and your guests to supply appropriate music, at a volume you like, at the right time. "Your Music" at the right time!

Thanks again for considering Party Music and good luck with your big day.

We look forward to working with you soon!

Cheers,

The Party Music Team

Equipment Setup

LIGHTING

Professional interactive lighting system matched to the look and feel of the venue. Multi colored lightings system will change and move in beat with the music.

SPEAKERS PAIR

Professional 200-350watt self amplified speaker. Each speaker has its own amplifier and power source which provides increased reliability. Capable of supplying crowd of up to 250 guests.

COLORED SPOTS

These colored spots provide coloring to areas of the dance-floor or function room. The spots are especially effective in coloring sections of the venue around the Dj and dance-floor (see picture). Being a "Soft" lighting effect this type of light is often more effective and non-interfering during such times as speeches.

DJ CONSOLE

The Dj console is made up of professional twin CD players, a sound mixer, headphones, and a microphone.

The Dj console is the area from which the entire sound and lighting system is controlled. For this reason, Party Music uses modern, proven, and reliable brands of equipment.
